FLL Community / Stakeholder Engagement Overview

Agenda

Community & Stakeholder Engagement

- Earth Day
- Autism Day
- Honor Flight
- FLL Customer Appreciation
- FLL Stakeholder Engagement
- FLL Community Engagement

Airport Sustainability Overview

- Evolution of Sustainability
- Current Initiatives

Near-Term Expansion & Improvement Priorities

- Terminal 5
- Intermodal Center (IMC) & Automated People Mover (APM)

Question & Answer / Open Discussion

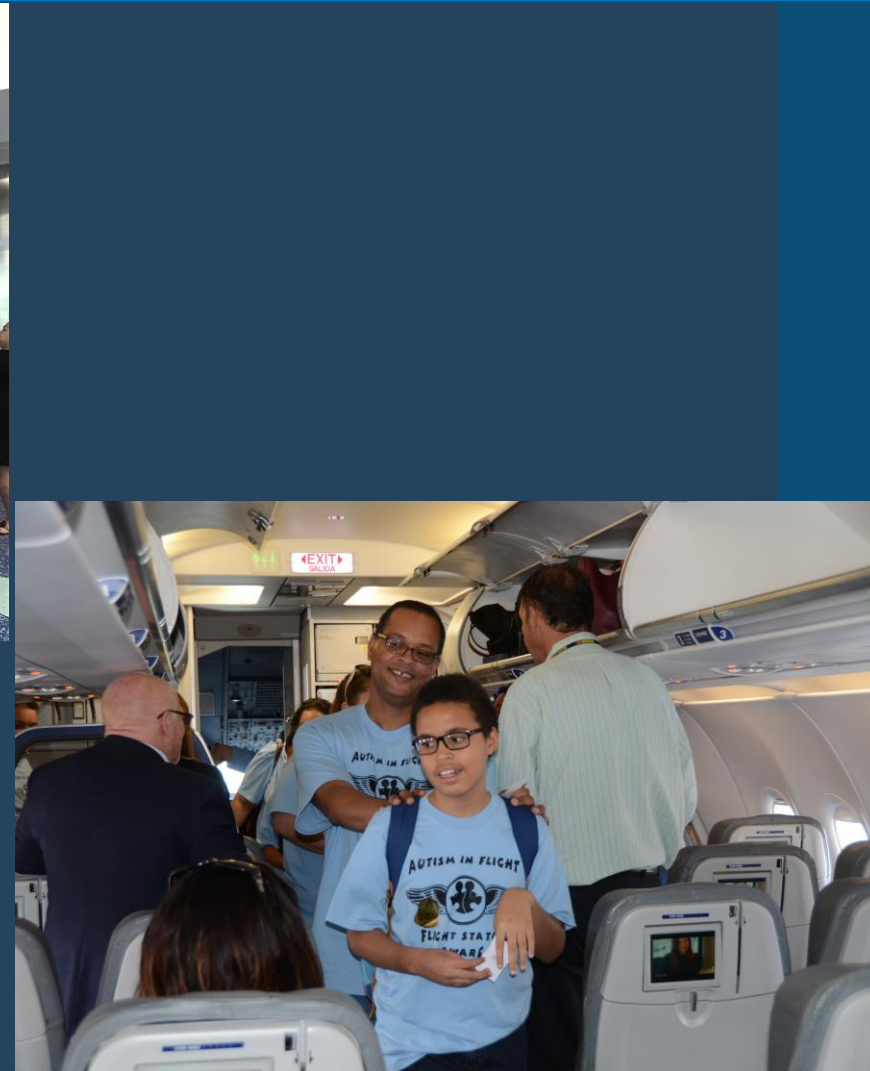

An aerial, high-angle view of a large airport terminal and its surrounding tarmac. The terminal is a long, multi-story building with a curved section at one end. Numerous aircraft are parked at gates along the terminal, and many more are scattered across the tarmac. The entire scene is overlaid with a semi-transparent blue filter. The text "Community & Stakeholder Engagement" is centered in the lower half of the image, with a thick orange horizontal bar positioned directly beneath it.

FLL Community Engagement

An aerial, high-angle view of a large airport terminal complex. The terminal is a long, multi-story building with a central section and several wings. Numerous aircraft are parked at gates along the terminal. To the right of the terminal, there are runways and taxiways with several aircraft in motion. The entire scene is overlaid with a semi-transparent blue filter. The text "Airport Sustainability" is centered in the lower half of the image, with a thick orange horizontal bar underneath it.

Landside Development

Terminal 5 Development Plan Representative Illustration

Intermodal Center / People Mover

Potential Integrated Development (To be further studied) Could include, but not be limited to:

- Multiple Modes of Ground Transportation & Rail
- Public Parking
- Employee Parking
- Bag Tagging/Drop-off for Early Arriving Passengers
- Entertainment
- Office
- Food Service Options

Open Discussion & Question/Answer
